

## Sunday Evenings at TBC

Sunday evenings at TBC seek to satisfy the needs of a growing disciple in a number of ways.

Our **Worship Space** evenings offer extended space to worship and seek God in a context where all can contribute. We also take communion and offer prayer for healing on these evenings.

Our **In the Stillness** evenings provide a variety of ways in which we can meet and hear God in quieter forms of worship, reflection and creativity.

Our **Praise and Prayer** meetings are key times of interceding for one another, for the life and work of TBC and for the wider world.

Our **Digging Deeper** meetings offer extended Bible teaching, accessible to all, but going deeper than is possible in a Sunday morning talk.

**Perhaps our most important monthly meetings!**

Come to praise. Come to pray.  
Come with faith!

## Proverbs

as a Book for Missionaries

Sunday October 29th

Rev Dr Peter Hatton

Many of us will know Peter Hatton, the former Minister at Thornbury Methodist Church, and now the Tutor in Old Testament at Bristol Baptist College. We are delighted that Peter has agreed to come to speak about the Book of Proverbs, a subject that he has studied and written on extensively.

# in the stillness

quiet in God's presence

starting at 6.30 pm

'In the stillness' evenings aim to give 'space' to be refreshed in God's presence.

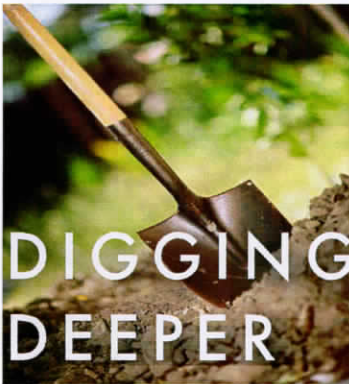

Times of quiet are rare in our world, and these evenings are deliberately created to allow space to meet God in silence, in the historic words of Christian liturgy and in gentle worship music.

## DIGGING DEEPER

more from your Bible

led by David Lawrence & Sally Heath\*

6.30pm-8.00pm

In 2017 our Digging Deeper themes are drawn from the book *Café Theology*.

**September 24th - Trinity\***  
*(Café Theology ch.8)*

The belief that God is three-in-one is a fundamental of Christian theology. How did this belief arise, what are we to make of it and why is it important? Sally Heath will lead our thinking on this evening.

**October 22nd - The Final Victory of God**  
*(Café Theology ch.9)*

Christians live with the unique privilege of knowing the end of the story in which we live. Come to explore what the Bible says about the end of this age and the life of the age to come.

**November 26th - The Church**  
*(Café Theology ch.10)*

Sometimes our view of 'church' is way too small! The aim of this session is to explore what the Bible says about church, and to think about some of the practical implications of being God's church in his world.

**Digging Deeper Discussion Group**

There is a group of people who gather after each of the Café Theology Digging Deeper sessions to discuss them in greater depth, air different viewpoints and learn together. Contact David Lawrence if you'd like to know more.
