## Notices

### **Two By Two**

Two by Two are in need of **regular** helpers each week. Please contact Sally or the Office if you think you can help regularly.

### **Ladies Day**

A date for your diaries - Saturday 29th June. We are going to be holding a day for ladies of the church to learn, pray, worship and get to know each other! All ladies are very welcome! If you think you may be interested in joining us, please put your name on the sheet that is on the notice board in the foyer to help us get an idea of numbers.

### **Faith at Home**

Is a monthly resource for those seeking to develop children's faith at home. Raising the next generation of Jesus followers is not easy but this resource may help. Why not give it a try by logging on to [www.youthandchildrens.work/faith-at-home](http://www.youthandchildrens.work/faith-at-home) or contact Mike to go on a mailing list to make sure you don't miss out!

### **Family Forum**

Please note that, for members of the TBC Family, there will be a Family Forum at 8pm on Thursday 28th March 2019 to take forward the proposals discussed in February.

### **Living in a Digital Age**

Being part of the Digital Age gives rise to all sorts of questions, especially for children and their parents. Help is at hand, the organisation "National Online Safety" produces lots of great information and in particular the series called "what parents need to know about". Check them out at [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com).

### **Spare ipad?**

If you have a spare/old ipad running at iOS 9 or older, Heather would love to hear from you! Currently the worship musicians print out all their music - an ipad would reduce the need to print (& therefore make us more environmentally friendly). Thank you!

### **For Prayer**

Please pray for Nick and Dorothy Wagstaff's great-nephew, Ben (15) who has been diagnosed with leukaemia.

Please continue to pray for Stephanie Ruse, whose brain surgery should be happening this month.

Please also continue to pray for healing and strength for Sue Hallett who is now home and recovering from a knee operation.

Please pray for Angela Miles, recovering from an operation to remove the pins and plates in her foot.

If you have a prayer request which you would like to be added to the news sheet in the future, please speak to one of the Elders or contact the TBC office. Longer term prayer needs are added to Connect magazine. Thank you.

**Please note** that this prayer list, and any other prayer needs mentioned in the weekly email or on the Sunday notices sheet, are for sharing within this church fellowship. Details of the people mentioned must not be circulated or republished on social media.
