

Programme highlights:

**Special event :
Living with anxiety**

NNN

Drench night

BBQ

Mystery trip

Attic Café is part of the Children and Youth provision of Thornbury Baptist Church and is open to anyone in school years 10,11,12 and 13. It is led by a team of Youth Workers under the overall leadership of Helen Sydenham and Terry Wood.

Attic Café is an activity based youth club, a typical evening will be made up of group activities followed by chill time to play games, listen to music, chat with friends and enjoy tuck. Trips also form part of a varied programme into which the young people of the club have an input. It is a place where faith will be explored.

Thornbury Baptist Church Children and Youth: *Helping to grow a faith that lasts.*

Welcome to Attic Cafe

**A youth club for
school years 10 to 13**

Thursdays:

7.30pm to 9.30pm

Subs £1 per night

Safeguarding

We make Safeguarding a priority at **Attic Café** which is why we operate a membership that is based on the consent of parents/carers and young people to the ethos of the Club. A young person can attend the Club twice before a membership/consent form needs to be completed. Mike Levy is the Church Safeguarding Co-ordinator and his contact details are on the back of this leaflet.

Helping Others

At **Attic Café** we want to connect with the wider world and so, together with Basement (our club for younger people) we sponsor a child called **Inkunda** from Rwanda. We encourage members of Attic Café to give a little money each month, and from time to time think of ways to raise money, which help to provide education, food and access to health care for Inkunda things that she would not have if it were not for our help.

Why not give any change from Tuck each night to Inkunda?
