

Guidelines for safety:

1. Your child is your responsibility, or the adult they have come with, throughout the session.
2. We are currently unable to provide refreshments or snacks so please feel free to bring your own. Please ensure hot drinks are in lidded cups and kept away for children whilst they play.
3. Please help the story teller by encouraging your child to listen quietly (and parents too!)
4. Masks are currently required for adults when inside the building. Please also use our track and trace system so that you can be contacted should it be necessary. Thank you!

About us: Two by Two was set up in 1990 by a group of mothers from Thornbury Baptist Church and is still largely run by members of the church. We consider praying to God to be very important and we always meet together to pray before every Two by Two session. If you would like us to pray about something for you or to pray with you, please let us know.

We have a facebook group for Two by Two families as well as a whatsapp group which you are welcome to join but is optional. Info can also be accessed through our website

www.thornburybaptistchurch.org.uk/twobytwo

Two by Two contacts:

Mondays and waiting list: Nicky Phipps:
01454 411326

Wednesdays: Julie Leeming: 07929
031354

For general support or enquiries: Hev
Scorah 07860 835146

Welcome to Two by Two Parent & Toddler Group

Following the way of
Jesus, loving God, one
another & the world

Outline of session:

Arrive through the main doors & sign in with one of our team.

Free play either in the garden or indoors.

Tidy up time followed by snack time during the story. Please provide your child's snack for now thank you!

Song time & goodbyes!

General information:

 There is a baby changing area and toilets in the foyer. Please wear masks when using the toilets.

 Our weekly fee is £1 per child aged 6 months and over (reviewed annually).

 Children are welcome until they start school.

 If your child has Chicken Pox, please keep them away until the scabs have gone, as before this they are still infectious and they may be susceptible to other infections. You should also keep your child at home with other infectious illnesses such as sickness and diarrhoea or conjunctivitis and until they have been clear for 48 hours.

In the case of covid-19 until your government recommended isolation period has ended.

 Please advise us if you or your child has any allergies or prominent health concerns such as diabetes, asthma, epilepsy so that we can best support you to enjoy Two by Two safely.

 We always have a waiting list, so please let us know if you are going to be absent for more than 2 weeks. After 3 weeks we will try to contact you, but may have to offer your place to another family.

 We do appreciate your help during 'tidy up time' and so putting toys to the edges or if small enough in washing up bowls really helps us as we will need to clean all toys before putting them away.

We hope that you enjoy your time with us and we are thrilled to welcome you to our Two by Two family!
