

I am confident in your saving power and goodness.

I will live in such a way that your
beautiful character is displayed on my frontline.

I will work to see the way the world is now,
turned towards the way you want it to be.

I will not be anxious about anything but

I will trust in your provision for my needs.

I will leave my sins with you, and refuse to
bear a grudge or settle a score with anyone else.

I accept that life will sometimes be hard and so I pray
that I will stay true to you when it gets tough.

This is too hard for me, and so, my Friend in heaven,

I will keep asking for your power to enable me

I will keep knocking until you open your door to me

And I will keep seeking until I find your Spirit at work in me.
