

Craft Fairs at Thornbury Baptist Church

Pop in and sample this popular **Plant Sale and Craft Fair** at **Thornbury Baptist Church** on **Saturday 9 May 10.30am-2.30pm**. A warm and friendly welcome awaits you and makes this a perfect opportunity to pick up a variety of **house and garden plants** and **high-quality gifts** often not found in shops. We have about **30+ stalls** offering a wide **variety of crafts** including jewellery, paintings, handmade art and decorative pieces of wood, 3D cards, knitted and felt toys and wall hangings, children's books, puzzles and more. Every penny raised will go to **IDAK Foundation**, (www.idakfoundation.org) a **charity which helps vulnerable children, young people and families** escape poverty and rebuild their broken dreams. Last year the amazing £1600 raised helped them to provide nutritious meals to keep pupils from humble backgrounds in school, provide better housing to widows with no family support, and small targeted financial aid and advice to small business start-ups for people with skills and ideas but limited resources. Entry is free and visitors can **enjoy refreshments**, homemade **cakes**, or a **light lunch** in our café. For more information or to **book a stall** please contact Ruth at greenspade25@gmail.com or Tel.07443 544658.

There are two craft fairs every year at TBC which are popular and well supported.

The Christmas Craft Fair in November raises money for the charity www.projectpossible.org.uk . Contact suemdunn@virginmedia.com or 07306810430

In May there is a Plant Sale and Craft Fair raising money for www.idakfoundation.org. Contact Ruth Cadenhead at greenspade25@gmail.com. Or 07443 544658.

Service with a smile – everyone's welcome!

Homemade cakes, donated by the TBC congregation

High quality food and hot drinks are served throughout the fairs. We also make sure our crafters are well looked after.

Plants are donated from the gardens and greenhouses of people from TBC. They are a feature of our fair in May.

Many local crafters book early in these popular craft fairs, displaying high quality merchandise.

Sue Dunn is the inspirational driving force behind the Christmas Craft Fairs.
